

HOW TO REGISTER ON LHA'S NEW WEBSITE FOR SUMMER CONFERENCE:

The LHA launched a new website at the end of 2022, and your login credentials from the previous website are no longer active.

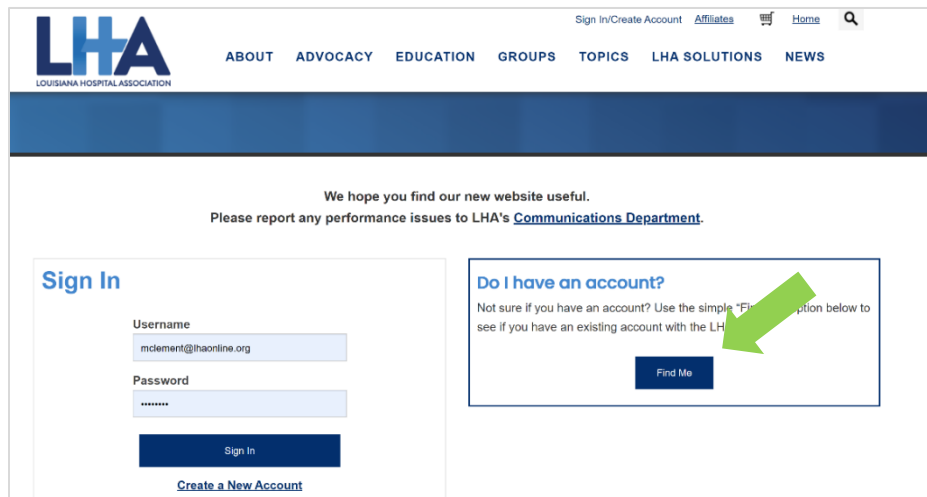

HOW TO ACCESS YOUR NEW LHA WEBSITE ACCOUNT:

Visit <https://lhaonline.org>, and select "Sign In/Create Account." (See green arrow below.) Use the three-step process to sign in for the first time.

Login Step 1: Search for Your Login Information

If you have attended an LHA event in the past or if you are part of your hospital's leadership team, you are most likely in our system. To search for your account, select the "Find Me" button. (See green arrow below.)

Login Step 1 Continued:

You will be taken to a webpage that will allow you to search for your account. (See image below.) Enter your entire last name and the first two letters of your first name. If you have ever registered for an event using a nickname versus your formal name, we recommend trying both.

Step 1: Search for Login Information

Not sure if you have a login? Use the search below.

*First Name

*Last Name

Please enter your search criteria to view results

Login Step 2: Reset Your Password

Once you type in your information, the system will list accounts that match your criteria. If you find your account, the email listed is your username. Click on the “Reset Your Password” button and follow the steps provided. If you do not find an account listed, if the email listed is incorrect, or if the email column has “No email on record,” continue to the “Create an Account” link at the bottom of the webpage to create an account.

Step 2: Retrieve Username or Reset Password

If you recognize your account details above and it has the correct email listed, use the links below to retrieve your username or reset your password. Passwords must be 7 characters alphanumeric.

If you need your username: **Retrieve Your Username**

If you know your username: **Reset Your Password**

Once you reset your password, if you receive a message that your account has expired, email the [Communications Department](#), and we will unlock it immediately.

Login Step 3: Create An Account

The “Create an Account” link will bring you to an online form. After completing and submitting the form, you will receive an email from the LHA (no later than 24 business hours but usually much sooner) with the subject “LHA Web Access Notification.” The email will include your membership type and username. Once you receive this email, you can login and register for the event.

Step 3: Create Account

If none of the above applies or the system shows an incorrect email for you or "no email on record," [create an account](#).

HOW TO REGISTER FOR SUMMER CONFERENCE:

Visit the Summer Conference webpage at <https://lhaonline.org/Event.aspx?EventKey=M234831>, and sign into the website (see green arrow below) to view your member-specific pricing and program items.
